

# *Quality Policy*

Medicheks Colombo (Pvt.) Ltd is well recognized as a leader in Medical Health Checkups, whilst also providing the community with a comprehensive range of medical services. It is proactively managed on sound business principles and has become a centre for excellence in Healthcare. We will strive to have the best of equipment, qualified well trained professionals to provide efficient and reliable services in a patient friendly environment.

We specialize in conducting Corporate Staff Annual Health Screenings & Medical Examinations, both local and foreign Pre-Employment Medicals, Medicals for Seafarers as well as the necessary medical assessments required for Visa issuance.

In keeping with context of the organization, we make every effort to issue reliable, consistent, accurate and timely reports and maintain a high customer satisfaction level.

We always employ professionally qualified and dedicated staff to ensure quality of our service and ensure continual improvement the Quality Management System, while achieving the quality objectives.

We commit to satisfy all National medical requirements, International and Local Standards and Legal requirements, Customer requirements and other applicable requirements.
